Moscow also accused the West on Sunday to close communication lines forcing the avion of Foreign Minister Sergey Lavrov to cancel a trip to For conversations on Monday. He said that "most of them directed civil infrastructure." The British Secretary of Defense, Ben Wallace, said that Great Britain will send a non-specified number of M270 pitchers, which can shoot guided rockets by precisely up to 80 kilos (50 miles). He did not describe what the Russian authorities had included measures, and his report could not be confirmed independently. kyiv, Ukraine: Russia signed up Sunday to Western military supplies for Ukraine, launching attacks on Kyiv who affirmed that he destroyed donated tanks from abroad, since Vladimir Putin warned that any western delivery of major rocket systems scope would drive Moscow to hit "objects that we have not hit." The cryptic threat of the military escalation of the Russian Läder did not specify how much the new objectives could be. The Spanish Ministry of Defense did not comment on the report. "This is another closed channel of communication," said Zakharova. Follow the AP coverage of the Ukraine War at Kyiv, Ukraine (AP): The Ukrainian forces locked in an agitating battle for the control of the East of the Paä fought to stop to the Russian troops and buy at some time on Thursday while waiting for the arrival of the advanced rockets and the anti-rings weapons promised by the West. With the deliveries of weapons possibly weeks away, Ukraine is looking for a prolonged permit of exhausting combat, they said military analysts. "There is a delay in time, so that the next weeks will be quite diffier Allé military team, and Associated Press reporters did not see any remains of any in the destroyed from the installation. In comments made by the news agency union of Ukrainian, petro andriushchenko said that the Russian authorities controlling the city have imposed a quarantine. inDays, Russian forces have focused on capturing the Eastern cities of Ukraine of Sievierodonsk and Lysychansk. It came after that the United States announced plans to deliver 700 million security assistance to Ukraine assistance that includes four medium-sized rocket systems guided by precise, as well as helicans, javelin anti-tank systems, radars, talic vehicles and more. The AP reporters saw a building burning in an area near the destroyed rail vehicle plant. Later became a key figure in the trial process against Trump. Becatoros reported Sloviansk, Ukraine. The missiles that hit Kyiv destroyed T-72 tanks supplied by Eastern Europe and other armored vehicles, said Russia's Ministry of Defense in the Telegram application. On Sunday they continued their thrust, with missiles and attacks from Donbas in cities and villages. The Railway Authority of Ukraine subsequently directed journalists in a guided tour of a railway vehicle repair plant in East Kiev said it was reached by four missiles. The Kremlin warned of the "absolutely undesirable and quite unpleasant scenarios if the last weapons begged in Russia." This pumping of Ukraine with weapons . Before the attack on Sunday, Kyiv had not faced such Russian attacks since the April 28 visit of the Secretary General of the U.N.N.A ANTIGO Gutierrez. The Energoatom nuclear plant operator said a cruise missile built near the Pivdenoukrainsk nuclear plant, 350 kilos (220 miles) to the south, apparently on the way to Kyiv. At home, some Ukrainians gathered in bars to see the game. Residents described awakening the sound of missile attacks, with rubble and glass that fell around them. Ukrainian troops will receive training in Britain to use the team, he said. Russia hopes to invade the Donbas before the weapons that can change the tide arrive. Dozens of military dicos and ambulances paramã © Dicas worked to evacuate Ukrainian civilians and military, and a hospital was busy treating the injured, many injured by the bombardment of Art. Associated Press journalists David Keyton and Hanna Arhrova in Kyiv contributed to this report. This material cannot be published, transmitted, rewritten or redistributed without permission. Ukraine said the missiles aimed at the capital hit a trains repair workshop. The Ukrainian authorities did not immediately confirm the attack. It will take at least three weeks to obtain the precise weapons of the USA. And the troops trained on the battlefield, said the pentane. Zhdanov, the Ukrainian analyst, said Russia intensified missile attacks in response to the promised armed. "Weapons are "a great concern for the Kremlin, because even without sufficient weapons the Ukrainian army is daringly resisting the offensive," he said. Zhdanov predicted Russian forces will be exhausted when the ferocious fighting is over in Sievierodonsk and its environs, giving Ukraine time to get weapons and prepare a counter-offensive. Kyiv also got a diplomatic boost with the formal installation on Thursday of a new U.S. ambassador in Ukraine, Bridget Brink. Brink said his top priority is to help Ukraine prevail against Russian aggression. "There is no place on the planet that I would prefer to be," he said after presenting his credentials to Zelenskyy. Also on Sunday, Ukrainian President Volodymyr Zelenskyy traveled to the Zaporizhia region in the southeast, which is partly under Russian control. The Spanish daily El Pais reported on Sunday that Spain planned to supply anti-aircraft missiles and up to 40 Leopard 2 A4 combat tanks to Ukraine. Two residents of that district said the warehouse-type structure that the billowed smoke was part of a tank repair facility. In the port of the Sea of Azov of Mariupol, which Russia claimed to have captured in May after a brutal siege of months, a mayor's assistant said that water supplies contaminated by decomposed bodies and garbage were causing dysentery and posed a threat of cholera and other diseases. The Donbas consists of the provinces of Luhansk and Donetsk. Ukrainian President Volodymyr Zelenskyy said in his evening video address that there has been "some progress" in the battle for Sievierodonsk, but it was too early to give details. He said he was grateful to the United States for having agreed to send the advanced rocket systems, that "he can really save our people's lives and defend our land."
